GOLDEN BOY ③

GOLDEN BOY 3

It's a great
Festigaster
and it's just
completed!

I am just one
of many who
spend so much
time waiting on
the sidewalk,
yet...

Since it's finished, I don't
have any other reason to
stay at the University... Ah,
I want to hear more of
Mingzhen-sen's lectures!

But...

Mingzhen-sen... You will be
teaching lectures here,
right? I am waiting on that
my whole heart!

END

YOU GOT HERE
YOU FORGOT
ABOUT YOUR
MASTER!

OH THAT'S
BAD

SO WHAT? LOOK
WELL! LOOK
CAREFULLY AT
MY ASSHOLE...
OOO! ISN'T IT?

WAIT...
HEY,
WAIT!

TO HELL
WITH
FUDGE...
SABE'S
ADMONISHING
ME

YOU ARE
BEING
FUDGE...

WAAH... WHAT
THE HELL ARE
YOU...

GRAB

THAT
I CAN GO
TO TELL
YOU
THINGS
ABOUT
ME...

... I'M
VERY
HAPPY
TOO

I'M
SO
HAPPY

REALLY
??

I... I'M
NOT
THAT...

I'M SO HAPPY...
I'M EXCITED FOR SOME
REASON...
IT'S THE FIRST TIME I'VE
MET A PERSON LIKE YOU...
THE PERSON THAT MADE MY
DAY, RIGHT?

That's not
impossible at
all... You
just wanted
to make me
happy with
me...

Are
you sure
I'm not
imagining you?
Because if
that's such
a happy
feeling...

So
paradox
it's such
a great
feeling...

It's
it's no
big deal...

Please
serve
yourself
the
available
food...

Forgive me...
It's such a
good feeling...

GOLDEN BOY 3

I felt lots

They were

Our previous house has become too poor, so we moved

Four weeks have passed...

They became sort of schematic, huh?

That's a wonderful thought!

Good! All right about thinking patterns, huh?

From morning to evening these four tirelessly take care of my body

LESSON 8 Love Following Rythm

I'm 25
year-old
confront
temp
worker

My
name is
Os
Kintaro

I had just left
school and had
started a
journey to
study life

Today, I'll
tell you a
story about
a young and
beautiful
23 year
old me

I didn't long for
something like the world of
money, or so I had thought
I was my first job, but in
fact the pay for this job
didn't have gotten me out of
the terrible poverty I had
experienced for all this

At the time I
was working at
the first house
"Wister"

I felt sort
of lost
inside my
chest

But there
was a kind
of exciting
enthusiasm
flowing
around

I felt
it was
the
first

LESSON 8
Love Following Rhythm

I wonder
why...

When I hear
her sing, it
becomes hard
to breathe

JUST LISTENING
TO HER VOICE IS
BETTER THAN JOIN
THE GREATEST
ONE EVER!
WOOHOOHOO!

ALL I NEED FOR
MY AGONY
IS TO HEAR HER
SINGING VOICE

ah...

WHEN
I'M NOT ANGRY
AT ALL... YOU
KNOW... IF I CAN
HEAR HER VOICE,
IT'S THE BEST...
I FEEL THE
GREATEST
HAPPINESS

I'M POOR
TOO, YOU
KNOW!

NEXT WEEK,
NEXT WEEK...
LIKE YOU
DON'T SAY THE
SAME THING A
YEAR AGO!

SORRY, I'LL PAY
YOU NEXT WEEK
FOR SURE

Y... YOU ARE...

MURAH DARE

OOO

YOU
WANTED

RIGHT?

WOULDN'T
YOU EAT
IT?

SEEMS
THEY'RE
PRETTY
CAREFUL
TO
YOU

YOU'RE
THEY'RE
OLD
WOMEN
AT "DRINKING",
RIGHT?

SOUP
SOUP
SOUP

NOT ONLY
CAN I HEAR
HER VOICE,
NOW I HAVE
DARUMA TOO...

THANK
YOU

THA...

WELL... I CAN'T
CLEARLY PUT IT
INTO WORDS...
YET...

A FEELING
AND WHAT IS
THAT SENSE
OF HOPE?

BUT I HAVE
SORT OF AN
OUTLINE...
RIGHT NOW I
HAVE A
FEELING...

I HAVE
TO SEARCH
FOR
SOMETHING

YOU KNOW... THE ONE THAT'S
FLOATING SOMEWHERE IN YOUR MIND
TO CATCH IT... TO FIND THAT MUSIC... SO
I CAN TRY TO SHOW IT TO MANY
PEOPLE... AND THEN I WANT THEM TO
TOUCH AN INSTRUMENT IN AN OVERCROWDED
BUREAU...

YES, I
UNDERSTAND
THAT FEELING...
THAT'S NOT A
VERY CLEAR
OUTLINE

SO
THAT'S
NOT AN
OUTLINE
IS

I WAS JUST
SOMEHOW
FASCINATED
BY THAT
ENTHUSIASM
BACK THERE

WELL, NO IT'S
NOT LIKE THE
SOMEONE WHO
WANTS TO
PLAY ROCK...

WHAT KIND OF
MUSIC ARE
YOU DOING?

I JUST
WANT TO
HAVE A
GOOD IDEA
ALL MY
LIFE... I
WANT TO
BE A
MUSICIAN

TO TELL
THE TRUTH,
THERE'S
THIS MUSIC
I LIKE

HAHA...

THAT JOB IS
PROBABLY THE
MOST HARD ONE...
I'M SURE... BUT
THERE ARE OTHER
JOBS OUT THERE...
SO WHY ARE YOU
KEEPING YOURSELF IN
SUCH POVERTY? YOU
CAN'T EVEN AFFORD
GARDEN

HAHA...
THAT'S
IT?

And... something really great...

Soon after, Katsuo and I were living under the same roof

*HARMONY
HARMONY*

THE BASICS... IT'S NOT THAT DIFFICULT. DON'T WORRY ABOUT FORM. HARMONY IS IMPORTANT, HARMONY...

I was giving Katsuo an extensive lesson in playing rock guitar

Not only that... I should say he did great work with them

A month ago, he was a novice. Katsuo found the note that resonated after the first wave in the countryside

He resonated to everything I did

Katsuo was following my rhythm without fail

WHY IS
THAT??

THIS MAY
YOU'LL
DEFINITELY
SELL.

IT'S BECAUSE I
WANT TO SELL
YOU AS A GIRL
BAND.

WHAT?

THAT'S RIGHT
LIKE THAT
YOU'LL SURELY
BE SOLD.

THOUGH IF THE FLOOD RESEMBLED YOU, YOU WOULD WANT TO KEEP WATCHING FOR ME!

THAT'S RIGHT... AND SO ON...

THE SOUND OF THE TRUMPET WOULD CLEAR AS A BELL, SOUNDING THROUGH
THE CRACKING SKY!

Various other authors were recognized and given awards and the super-popular screen was very displeased about this.

"Fashion is just
too far Away From
Reality" ? I
wrote that?

By
the author of
"Fashion is
just too far
Away From
Reality" I'm
presenting
completely
new information
and concepts!

I am famous female writer, and
this fact also means I am a rich
woman. They say that my
works are full of deception but
I didn't want to realize that
because by not noticing it, I was
happy. While I pretended to
peek in my own empty heart,
what did I become? No, it has
to be different than this. I did
not want to see myself like this
at all! I am a high class, always
laughing, rather than sad, kind
of sophisticated woman. Wasn't
I the 'Alchemist of Love'?
Why is the 'real' me so different
than I thought. Where did I
go wrong?

Fash-
ionable
article
was it?
